Securities and Exchange Commission Rule 15c2-12

Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") requires bond issuers to undertake to continually disclose certain information to the municipal marketplace for those bonds delivered on July 3, 1995, and thereafter (the "effective date"). Hillsborough County has provided disclosure in each of the official statements for bonds issued since the Rule's effective date. The information provided in this report updates that information required by the Rule and is not an update of each respective official statement in its entirety.

There are two aspects to continuing disclosure reporting. First, there is the obligation to provide notices of twelve significant events, as listed, when and if they occur and if determined material. Additionally, issuers are obligated to disclose certain financial operating information. Specific financial and operating information disclosure requirements are defined in the continuing disclosure certificates approved with each bond issue subsequent to the Rule's effective date. This information requires annual update and reporting to the Municipal Securities Rulemaking Board website at www.emma.msrb.org.

Included within this report is a summary listing, which the County is required to provide annually by bond issue. Also included in this report is a disclosure prepared by the County Attorney's Office describing outstanding litigation, which may be material to the County (see Appendix A). The information contained in this report is for the County's fiscal year ended September 30, 2013. The Comprehensive Annual Financial Report (CAFR) contains the County's audited financial statements, as well as certain statistical and other general information which current and potential bondholders may find informative. The CAFR is available at www.hillsclerk.com/publicweb/CountyFinancialReports.aspx.

Significant Events

The following is a list of events which require immediate reporting to the Municipal Securities Rulemaking Board, if such an event has a material impact on the applicable bonds in accordance with the Rule:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults.
3. Unscheduled draws on the debt service reserve fund reflecting financial difficulties.
4. Unscheduled draws on credit enhancement reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.
6. Adverse tax opinions or events affecting the tax-exempt status of the applicable bonds.
7. Modifications to rights of holders of the applicable bonds.
8. Calls on the applicable bonds.
9. Defeasance of the applicable bonds.
10. Release, substitution or sale of property securing repayment of the applicable bonds.
11. Rating changes.
12. Notice of failure on the part of the County to disclose information or provide updates to information as undertaken with each issuance of bonds since the effective date of the Rule.

Since 2013 property tax rolls were not levied and opened for collections until November 1, 2012, final data for the 2013 property tax levy is not available. Taxes levied during a fiscal year are collected in the following fiscal year. Therefore, the amounts shown as levied for fiscal year 2012 were actually received in fiscal year 2013.

(1) Since Fiscal Year 2012 tax rolls were not levied and opened for collections until November 1, 2012, fiscal year 2013 property tax data is incomplete and not presented.

(2) Assessed value, i.e., the value after homestead and other exemptions were deducted.

(3) Centrally assessed property is assessed by the state of Florida rather than the Hillsborough County Property Appraiser. This is railroad company owned property and is located in multiple counties.

(4) The tax levy is the property tax due to Hillsborough County before tax reductions. Tax reductions are determined by the Value Adjustment Board and before tax amounts are determined to be uncollectible due to insolvencies. The tax levy represents the taxes due to the Hillsborough County financial reporting entity and therefore, excludes taxes due to the Hillsborough County School Board, the City of Tampa, and certain other governmental entities.

(5) Includes all delinquent taxes received during the year regardless of the year in which the taxes were levied.

(6) Outstanding delinquent taxes represent delinquent amounts due only in the fiscal year levied, i.e., this amount does not include outstanding delinquent taxes from prior fiscal years.

**SECONDARY MARKET DISCLOSURE REPORT
MATERIAL LITIGATION SUMMARY**

Arising from the normal course of operations, the County is a defendant or plaintiff in, or could otherwise be affected by the outcome of, various lawsuits. With the exception of certain potential Workers' Compensation claims, the matters where the potential exposure to the County is equal to or greater than \$1,000,000 are as follows:

1. **William A. Livingston, et al v. Pat Frank, Clerk of the Circuit Court for Hillsborough County**, Case No. 11-009728. This class action case for inverse condemnation has a potential exposure in excess of \$1,000,000.

The above listed claim is being vigorously defended.
