

Hillsborough County Parking Administration
Tampa Bay Wave

I agree that the parking space assigned to me will be used exclusively by me unless otherwise previously approved in writing by Hillsborough County's Parking Administration. I further agree that I will comply with all provisions contained in Hillsborough County Ordinance and Resolutions setting forth regulations relating to parking in Hillsborough County owned, leased or operated parking lots and facilities.

I understand that my failure to comply with the above stated terms and conditions may result in the revocation of my parking assignment and/or the assessment of fines and other penalties as may be lawfully assessed by Hillsborough County.

1. All parkers must properly register their vehicle(s) and display a valid parking hang tag at all times while parked in a Lightning Foundation Parking Lot.
2. **Any parker parking in a Lightning Foundation Lot during weekdays from 5:30 PM to 6:30 AM shall be subject to a warning citation and shall be subject to towing. After two issued citations, parking permits are subject to immediate revocation.**
3. Designated ADA spaces will be reserved for anyone legally qualified to use disabled parking in accordance with applicable Florida law.
4. All vehicles must park in the assigned space.
5. At no time shall a vehicle block a designated drive lane. A parker vehicle in violation of this rule shall be subject to being towed and/or cited for improper parking.
6. Oversized vehicles are not permitted in the Lightning Foundation Parking Lots. This includes RV's, buses, box trucks and trailers.
7. Certain *Blackout Dates* for the Lightning Foundation Lot will be posted 45 days' in advance. An alternative parking location will be provided. Alternative parking location will be in a location as proximate to the Lightning Foundation Parking Lot as practically possible.

I have read and will comply with the rules above,
