Date: October 22, 2019

To: Pat Frank, Clerk of Court and Comptroller

From: Heidi Pinner, CIA, CISA, CRMA, CFE, Director of County Audit

Subject: Quarterly status report of audit recommendations and Clerk of Court and Comptroller's Management Action Plans

Dear Ms. Frank:

Attached is the quarterly report on the status of audit recommendations. Addressing these recommendations will enhance the Clerk's overall operations and mitigate risks to the organization.

As a result of audit testing, it is common practice for the County Audit Department to make a recommendation based on the auditor's observations and conclusions. The recommendation calls for action to correct an existing condition or improve operations. The recommendation may suggest an approach to correct or enhance performance as a guide for management in achieving a desired result.

In compliance with the Institute of Internal Auditors Standard 2500, the County Audit Department monitors implementation of management's corrective action plans. Recommendations remain active until remediated or deemed obsolete.

For the quarter ended September 30, 2019, the County Audit Department monitored one (1) management action plan and remains open. This item will be carried forward to the first quarter of FY20. The attached Status of Audit Recommendations report contains additional detail.

I appreciate this opportunity to be of service and am happy to respond to any questions that you may have concerning the attached report or to furnish you with any additional information desired.

CC: Dan Klein, Chief of Staff
Michelle Decker, Chief Information Officer
Tim Simon, Deputy Comptroller
