Securities and Exchange Commission Rule 15c2-12

Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") requires bond issuers to undertake to continually disclose certain information to the municipal marketplace for those bonds delivered on July 3, 1995, and thereafter (the "effective date"). Hillsborough County has provided disclosure in each of the official statements for bonds issued since the Rule's effective date. The information provided in this report updates that information required by the Rule and is not an update of each respective official statement in its entirety.

There are two aspects to continuing disclosure reporting. First, there is the obligation to provide notices of twelve significant events, as listed, when and if they occur and if determined material. Additionally, issuers are obligated to disclose certain financial operating information. Specific financial and operating information disclosure requirements are defined in the continuing disclosure certificates approved with each bond issue subsequent to the Rule's effective date. This information requires annual update and reporting to the Municipal Securities Rulemaking Board website at www.emma.msrb.org.

Included within this report is a summary listing, which the County is required to provide annually by bond issue. Also included in this report is a disclosure prepared by the County Attorney's Office describing outstanding litigation, which may be material to the County (see Appendix A). The information contained in this report is for the County's fiscal year ended September 30, 2014. The Comprehensive Annual Financial Report (CAFR) contains the County's audited financial statements, as well as certain statistical and other general information which current and potential bondholders may find informative. The CAFR is available at www.hillsclerk.com/publicweb/CountyFinancialReports.aspx.

Significant Events

The following is a list of events which require immediate reporting to the Municipal Securities Rulemaking Board, if such an event has a material impact on the applicable bonds in accordance with the Rule:

- 1. Principal and interest payment delinquencies.
- 2. Non-payment related defaults.
- 3. Unscheduled draws on the debt service reserve fund reflecting financial difficulties.
- 4. Unscheduled draws on credit enhancement reflecting financial difficulties.
- 5. Substitution of credit or liquidity providers, or their failure to perform.
- 6. Adverse tax opinions or events affecting the tax-exempt status of the applicable bonds.
- 7. Modifications to rights of holders of the applicable bonds.
- 8. Calls on the applicable bonds.
- 9. Defeasance of the applicable bonds.
- 10. Release, substitution or sale of property securing repayment of the applicable bonds.
- 11. Rating changes.
- 12. Notice of failure on the part of the County to disclose information or provide updates to information as undertaken with each issuance of bonds since the effective date of the Rule.

- (a) This table does not include collections from the Community Investment Tax ("CIT") nor any indebtedness pledging the CIT proceeds. The County has, by ordinance, limited the use of such funds to projects expressly approved as using the procedure in the enacting ordinance.
- (b) The amount shown is total Half-Cent Sales Tax collections less Series 2003 Criminal Justice Refunding Bonds and Series 2006 MOSI/County Center Refunding Bonds Maximum Annual Debt Service ("MADS") for the fiscal years 2007 through 2009. Those bonds were defeased during fiscal year 2010 using cash reserves. The fiscal year 2013 and 2012 Half-Cent Sales Tax is net of the Series 2012 CIP Bonds, MADS of \$6,781. The Series 2012 CIP bonds were issued on June 21, 2012.
- (c) The amount shown is 62.5% of total Communications Service Tax ("CST") collections. The Board of County Commissioners formally allocated 37.5% of the CST specifically to public safety (\$25,082 x 62.5%=\$15,677).
- (d) The amount shown is total Fifth Cent TDT collections less maximum annual debt service on Fifth Cent TDT pledged bonds. This excess may not be used to pay any of the items in the "Non-Ad Valorem Maximum Annual Debt Service" section of the table except for the 1995/2005 Tampa Bay Arena Refunding Revenue Bonds and is not legally available to pay debt service on the Series 2008 Bonds.
- (e) Commercial paper is amortized over thirty years utilizing the Bond Buyer Revenue Bond Index.

- (a) Since Fiscal Year 2014 tax rolls were not levied and opened for collections until November 1, 2013, fiscal year 2014 property tax data is incomplete and not presented.
- (b) Assessed value, i.e., the value after homestead and other exemptions were deducted.
- (c) Centrally assessed property is assessed by the state of Florida rather than the Hillsborough County Property Appraiser. This is railroad company owned property and is located in multiple counties.
- (d) The tax levy is the property tax due to Hillsborough County before tax reductions. Tax reductions are determined by the Value Adjustment Board and before tax amounts are determined to be uncollectible due to insolvencies. The tax levy represents the taxes due to the Hillsborough County financial reporting entity and therefore, excludes taxes due to the Hillsborough County School Board, the City of Tampa, and certain other governmental entities.
- (e) Includes all delinquent taxes received during the year regardless of the year in which the taxes were levied.
- (f) Outstanding delinquent taxes represent delinquent amounts due only in the fiscal year levied, i.e., this amount does not include outstanding delinquent taxes from prior fiscal years.
