#### Securities and Exchange Commission Rule 15c2-12

Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") requires bond issuers to undertake to continually disclose certain information to the municipal marketplace for those bonds delivered on July 3, 1995, and thereafter (the "effective date"). Hillsborough County has provided disclosure in each of the official statements for bonds issued since the Rule's effective date. The information provided in this report updates that information required by the Rule and is not an update of each respective official statement in its entirety.

There are two aspects to continuing disclosure reporting. First, there is the obligation to provide notices of sixteen significant events, as listed, when and if they occur and if determined material. Additionally, issuers are obligated to disclose certain financial operating information. Specific financial and operating information disclosure requirements are defined in the continuing disclosure certificates approved with each bond issue subsequent to the Rule's effective date. This information requires annual update and reporting to the Municipal Securities Rulemaking Board website at www.emma.msrb.org.

Included within this report is a summary listing, which the County is required to provide annually by bond issue. Also included in this report is a disclosure prepared by the County Attorney's Office describing outstanding litigation, which may be material to the County (see Appendix A). The information contained in this report is for the County's fiscal year ended September 30, 2022. The Annual Comprehensive Financial Report (ACFR) is expected to be reported to EMMA no later than May 31, 2023.

#### **Significant Events**

The following is a list of events which require immediate reporting to the Municipal Securities Rulemaking Board, if such an event has a material impact on the applicable bonds in accordance with the Rule:

- 1. Principal and interest payment delinquencies.
- 2. Non-payment related defaults.
- 3. Unscheduled draws on the debt service reserve fund reflecting financial difficulties.
- 4. Unscheduled draws on credit enhancement reflecting financial difficulties.
- 5. Substitution of credit or liquidity providers, or their failure to perform.
- 6. Adverse tax opinions or events affecting the tax-exempt status of the applicable bonds.
- 7. Modifications to rights of holders of the applicable bonds.
- 8. Calls on the applicable bonds.
- 9. Defeasance of the applicable bonds.
- 10. Release, substitution or sale of property securing repayment of the applicable bonds.
- 11. Rating changes.
- 12. Bankruptcy, insolvency or receivership
- 13. Merger, acquisition or sale of all issuer assets
- 14. Appointment of successor trustee
- 15. Financial obligation incurrence or agreement
- 16. Default, event of acceleration, termination event, modification of terms or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

#### Incorporation by Reference

SEC Rule 15c2-12 provides that any or all of the information required to be disclosed may be incorporated by reference from other documents, including official statements of debt issues of the County or related public entities, which have been submitted to EMMA or the Securities and Exchange Commission. For this reporting period, Hillsborough County does not elect to include in this document any information incorporated by reference from these other documents.

#### SECONDARY MARKET DISCLOSURE REPORT MATERIAL LITIGATION SUMMARY

#### As of Fiscal Year Ended September 30, 2022

Arising from the normal course of operations, the County is a defendant or plaintiff in, or could otherwise be affected by the outcome of, various lawsuits. With the exception of certain potential Workers' Compensation claims, the matters where the potential exposure to the County is equal to or greater than \$1,000,000 are as follows:

- 1. Nicole Black v. Hillsborough County Board of County Commissioners, Case No. 19-CA-010708. This is a paramedic negligence case involving the alleged failure to properly assess a patient who later passed away. While the case has been settled, the County is still responsible for settlement payments in the total amount of \$450,000, with such amount to be paid in Fiscal Year 2023.
- 2. <u>Mattamy v. Hillsborough County</u>, Case No. 21-AP-003990. This is a state court land use lawsuit in which Plaintiff claims that the County violated Plaintiff's civil rights in part by denying Plaintiff's request to rezone its real property. The potential exposure is in excess of \$1 million.
- 3. EPG1, Eisenhower Property Group, and 301 Wimauma v. Hillsborough County and Hillsborough County Planning Commission.

  Case No. 2020-CA-5236. This is an action for Declaratory Relief, Injunctive Relief, and Damages. The lawsuit is based on Plaintiff's challenge to the County's interpretation of its Comprehensive Plan, and as applied to rezoning decisions or anticipated decisions that affect each of the Plaintiffs' respective interests, including alleged improper conditions placed on EPG1's property by a Hillsborough County development order rezoning EPG1's property. The potential exposure is in excess of \$1,000,000. This matter has been consolidated with Case No. 21-CA-000275. This litigation is on-hold while the parties explore a global settlement for this case, Case No. 2020 CA-000275, and the JPL Land Holdings LLC Bert Harris Act claim.
- 4. EPG1 v. Hillsborough County. Case No. 2021-CA-000275. This is a complaint pursuant to Section 70.001, Florida Statutes, the Bert Harris Act, and is related to the County's approval of Plaintiff's Planned Development rezoning. Plaintiff claims entitlement to development of a greater number of units than the number approved by the County and seeks compensation for the alleged diminution in fair market value of its property. The potential exposure is in excess of \$1,000,000. This matter has been consolidated with Case No. 2020-CA-5236. This litigation is on-hold while the parties explore a global settlement for this case, Case No. 2020 CA-5236, and the JPL Land Holdings LLC Bert Harris Act claim.

- 5. JPL Land Holdings, L.L.C. v. Hillsborough County. This is a prelitigation Bert Harris Act claim (Section 70.001, Florida Statutes). The Claimant asserts that Hillsborough County's denial of its rezoning application inordinately burdened its property in violation of the Bert Harris Act. The potential exposure is in excess of \$1,000,000. After this lawsuit is filed and served, it may be consolidated with Case No. 2020-CA-5236 as the actions are arguably related. This matter is on-hold while the parties explore a global settlement for this matter, Case No. 2020 CA-5236, and Case No. 2020 CA-000275.
- **6.** Balm Road Investments, LLC et al v. Hillsborough County. This is a pre-litigation Bert Harris Act claim (Section 70.001, Florida Statutes). The Claimant asserts that Hillsborough County's denial of its rezoning application inordinately burdened its property in violation of the Bert Harris Act. The potential exposure is in excess of \$1,000,000.
- 7. <u>David Nelson Construction Co. v. Hillsborough County</u>, CIP Project No. 69112. This pre-litigation construction claim involves a road construction project on which the contractor has filed a claim for additional time and costs related to delays in utility relocation activities. The potential exposure is in excess of \$1 million.

Except where a settlement is noted, the above listed claims are being vigorously defended.

Since 2022 property tax rolls were not opened for collections until November 1, 2022, final data for the 2022 property tax levy is not available. Taxes levied during a fiscal year are collected in the following fiscal year. Therefore, the amounts shown as levied in fiscal year 2021 were actually received in fiscal year 2022.

<sup>(1)</sup> The tax levy is the entire property tax due to the County before any tax reductions are determined by the Value Adjustment Board and before any tax amounts are determined to be uncollectible due to insolvencies. The tax levy represents only the taxes due to the County financial reporting entity and therefore, excludes taxes due to other governmental entities.

Source: Hillsborough County Tax Collector

<sup>(2)</sup> There is a four percent early payment discount available to taxpayers who pay their property taxes in November, with the discount declining one percentage point each month thereafter. To accurately compare taxes collected to the taxes levied, discounts taken were added into the amounts collected, making them directly comparable.

<sup>(3)</sup> Includes all delinquent tax collections received during the year regardless of the year in which the taxes were originally levied.

<sup>(2)</sup> Exemptions allowed include those for governmental as well as qualified, religious, or other non-profit properties. In addition, there are also additional exemptions for various types of property owners.

<sup>(3)</sup> Assessed value is the estimated actual value less exemptions.

<sup>(4)</sup> Tangible personal property represents business property such as furniture, computers, machinery, and equipment, as well as mobile homes that are not permanently affixed to land.

<sup>(5)</sup> Centrally assessed property is primarily railroad that is assessed by the state of Florida rather than by the Property Appraiser since the property is located in more than one County.

<sup>(6)</sup> Total Direct Tax Rate shows Hillsborough County tax rates applicable to residents of the unincorporated areas of the County.

<sup>(2)</sup> Maximum Annual Debt Services is calculated by fiscal year, on a per issus basis.

<sup>&</sup>lt;sup>(3)</sup> Partially refunded in Fiscal Year 2017.

<sup>(4)</sup> Refunded the Tampa Sports Authority's Series 2005 Bonds. Pursuant to an interlocal agreement with the Tampa Sports Authority, the County is obligated to make up a portion of certain operating and capital expenditure shortfalls of the Tampa Sports Authority. In Fiscal Year 2022, the County paid over \$2,900,000. For Fiscal Year 2023, the County has budgeted approximately \$3,100,000.

<sup>(5)</sup> Represents special revenues distributed from the State to the County pursuant to Sections 288.1162 and 212.20(6)(d)7.B., Florida Statutes, solely for the purpose of paying debt service on such Bonds. The County may not apply such revenues for any other purpose. Accordingly, such revenues are not shown in the table entitled, "HILLSBOROUGH COUNTY, FLORIDA HISTORICAL NON-AD VALOREM REVENUES IN GOVERNMENTAL FUNDS."

(6) Represents the FY 24 expiration date of the irrevocable direct-pay letter of credit that provides credit and liquidity support for the Commercial Paper Notes.

<sup>(7)</sup> Generally constitutes interim, short-term indebtedness that is repaid with other Commercial Paper Notes and ultimately refinanced with longer term indebtedness.

#### Derived from unaudited figures

- (1) The Community Investment Tax may not be applied to pay debt service on the Series 2019 Capital Improvement Non-Ad Valorem Bonds, but may be able to to pay debt service on certain of the Non-Ad Valorem Revenue Obligations of the County. These figures are net of the required distributions to the School Board, Tampa Sports Authority, and the municipalities in the County. The amount shown includes the allocation for payment of debt service and other obligations with respect to certain indebtedness of the Tampa Sports Authority, which constitutes a Non-Ad Valorem revenue Obligation under the Bond Resolution.
- (2) Fuel Taxes may not be applied to pay debt service on the Series 2019 Bonds but may be available to pay debt service on certain of the other Non-Ad Valorem Revenue Obligations of the County. The Ninth Cent Local Option Fuel Tax is not included in this table because the County currently restricts its application to transportation related maintenance, and, accordingly, the Ninth Cent Local Option Fuel Tax may not be used to pay debt service on any Non-Ad Valorem Revenue Obligations of the County. Constitutional Fuel Tax revenues are included in this table; provided, however, such revenues are included as "Intergovernmental State Shared Revenues" in the County's financial statements.
- (3) Tourist Development Taxes may not be applied to pay debt service on the Series 2019 Bonds, but may be available to pay debt service on certain of the other Non-Ad Valorem Revenue Obligations of the County.
- (4) Approximately 11.5% of the proceeds of the Series 2019 Bonds are expected to be allocable to growth related parks and recreation improvements. Accordingly, the County may use Park Impact Fees to pay approximately, 11.5% of the debt service on the 2019 Bonds. All other Impact Fees may not be applied to pay debt service on the Series 2019 Bonds, but may be available to pay debt service on certain of the other Non-Ad Valorem Revenue Obligations of the County.
- (5) Includes a variety of revenues of the County including, but not limited to, rental income, sales proceeds from the disposition of assets and refunds.

#### Footnotes

- [1] Unless otherwise noted, amounts shown for each respective fiscal year were derived from: (i) audited Annual Financial Reports for the Department; and (ii) other financial information as provided by the Public Utilities Department and other County staff.
- [2] Other Operating Revenue includes various charges includes but not limited to, building permits, settlements, planning services processing fees, parking fees, bad check fees, etc. Investment earnings are derived from funds and accounts established by the County that are considered unrestricted (earnings not required to be retained in such funds and accounts and are available or recognized as a component of Gross Revenues). Other Miscellaneous Receipts include various operating miscellaneous revenues including but not limited to miscellaneous revenue, administrative service fees, sale and removal of finished compost, special assessment administration fees, etc.
- [3] Amounts shown for the Cost of Operation and Maintenance reflect the following adjustments: i) addition of non-operating expenses classified as a component of the Cost of Operation and Maintenance (e.g., trustee fees); ii) adjustments to remove depreciation and amortization expenses which are considered as non-cash expenses and excluded pursuant to the Bond Resolution; and the iii) the recognition of applicable Pledged Impact Fees applied to the Debt Service Component of the Cost of Contracted Water Supply associated with the purchase of water from Tampa Bay Water.
- [4] The determination of Pledged Capacity Fees includes the sum of the Capacity Fees received and interest income earned on such funds adjusted by the estimated aggregate project expansion percentage for the Outstanding Bonds for each applicable Fiscal Year to recognize the amount of fees collected which are pledged to the Debt Service Component of the Cost of Contracted Water Supply and the aggregate Bond Service Requirement attributable to Expansion Facilities. For the Historical Period, all Capacity Fees received by the System were considered as pledged and were either i) applied to the payment of the Debt Service Component of the Cost of Contracted Water Supply with funds being transferred to the O&M Account; ii) applied to the payment of the Bond Service Requirement with funds being transferred to the Debt Service Account; iii) available to be applied to the Debt Service Account but are to be deposited into the General Purpose Account because they could not be transferred in the current period due to the receipts being higher than the amount available to be deposited Debt Service Account; and iv) the balance remaining on deposit in the respective Pledged Capacity Fee

- [5] Amounts shown based on when the cash payment of the interest and principal payments may be made to bond holders consistent with the provisions of the rate covenant as delineated in the Bond Resolution and not on an accrual basis of reporting (when deposits are made to the Debt Service Account from Pledged Revenues as delineated in the flow of funds per the Bond Resolution).
- [6] Pursuant to the Bond Resolution the Bond Service Requirement does not include: i) any capitalized interest from Bond Proceeds, if any, that have been deposited into the Debt Service Account; ii) amounts received from Federal Direct Payments; and iii) any interest from the investment of funds in the Debt Service Account and the Reserve Account. Any interest income earned on amounts on deposit in the Debt Service Account or the Reserve Account is deposited in the Debt Service Account and reduces the annual deposit from Gross Revenues.
- [7] The Bond Resolution requires that the utility maintain revenues and fees to generate sufficient: i) Gross Revenues, together with Pledge Capacity Fees (as defined in the Bond Resolution) at least equal to 100% of the Required Deposits; and ii) Net Revenues, together with Pledged Capacity Fees (as defined in the Bond Resolution) at least equal to 100% of the Bond Service Requirement.
- [8] The Rate Covenant as defined in Section 11.02 of the Bond Resolution is as follows:
  - Test 1: Gross Revenues plus Pledged Capacity Fees must be at least equal to 100% of Required Deposits;
  - Test 2: Net Revenues plus Pledged Capacity Fees must be at least equal to 120% of Bond Service Requirement; and
  - Test 3: Net Revenues must be at least to 100% of Bond Service Requirements.
- [9] Required Deposits as defined in the Bond Resolution included transfers to the Operation and Maintenance Account to pay the Cost of Operation and Maintenance, Debt Service Account (less amounts deposited associated with interest earnings on such account and the Reserve Account), Reserve Account, and the Renewal and Replacement Account; amounts shown do not include transfers to the Subordinate Indebtedness or Other Indebtedness Accounts (if any) as provided in the Bond Resolution.
- [10] Reflects other required transfers that are recognized in the Bond Resolution, payments which are subordinate to the payment of the Bond Service Requirement (reference note 8 above).
- [11] No deposit to the Reserve Account was recognized since the fund was considered fully funded during the Historical Period by i) proceeds from the issuance of the Bonds Outstanding; or ii) secured by a debt service reserve credit facility during such period.
- [12] Amounts shown reflect deposit to the Renewal and Replacement Account equal to 5% of the previous year Gross Revenues as defined in the Bond Resolution; the Department may have deposited an amount greater than the Renewal and Replacement Account Requirement.
- [13] Reflects Subordinate or Other Indebtedness payable from the Pledged Revenues of the System were outstanding or required during the Historical Period
- [14] Amounts shown do not include Pledged Capacity Fees that are deposited in a restricted account and used for the payment of the Debt

<sup>(4)</sup> An ERC for the Reclaimed Water System is defined as the average annual daily flow of 500 gallons per day of use. ERCs are genrally determined initially based on projected usage and are subject to adjustment annually based on the actual average annual daily usage for the prior 12-month period.

<sup>(1)</sup> Prior to October 1, 2019, the Price Index was calculated pursuant to a formula as delineated in the Rate Resolution and generally approximates from 55% to 65% of the General Price Deflator Index published by the Florida Public Service Commission. Resolution No. R19-106, adopted by the Board on August 21, 2019 revised the Price Index formula to utilize the U.S. Bureau of Labor Statistics Water and Sewer Maintenance Index as well as adjust the timing of when the index adjustments were made effective to coincide with the beginning of the County's fiscal year. The October 1, 2019 stated increase represents the difference due to the change in formula.

- (1) Processable waste received tonnage has been adjusted to account for transfer station variances, recycling residue, tires and yard waste received to be processed, and non-processable waste removed from the Resource Recovery Facility.
- (2) Amounts shown include non-processable waste directly delivered to the Landfill, net tire wastes and minor amounts of non-processable waste diverted from Resource Recovery Facility to the Landfill.
- (3) Recycling waste is the total inbound processed recycling to the contractor. During processing some of the material cannot be recycled and becomes a residual that is returned to the County and historically recorded as commercial processable waste.
- (4) Total residue, ferrous, and non-ferrous metals shipped wet.
- (5) The total tonnage from Service Area excludes solid waste received from incorporated municipalities outside the Service Area (i.e. City of Tampa).
- (6) Total tonnage does not include Resource Recovery Facility residue, ferrous andnon-ferrous metal recovery and is adjusted based on transfer station variances.

<sup>(1)</sup> Amounts shown reflects the average annual units.

<sup>(2)</sup> The County provides a discounted assessment for Senior Citizens.

<sup>(3)</sup> Multi-family disposal units are charged a reduced fee relative to single family disposal units for dispoal service. Pursuant to the 2020 Amended Franchise Agreement, the County will no longer assess multifamily type dwelling units a disposal assessment unless they also receive a collection assessment. As a result, the number of multi-family disposal units decreased, and the applicable tonnages have been reclassified to the commercial processable customer class from the residential assessed class.

<sup>(4)</sup> Amounts shown reflect the equivalent billing units determined based upon the current relationships by customer class for the Disposal Assessment (reference notes 2 and 3 above) and presented in terms of equivalent single family disposal units.

Certain information in the foregoing table may differ from previously filed reports as a result of certain amendments to the Bond Resolution and subsequent interpretations of certain provisions of the Bond Resolutions.

- Footnotes:
  - [1] The amounts shown are based upon actual Fiscal Year 2022 results and provided by the County. The calculation of compliance is based on rate covenant requirements pursuant to Section 11.04 of the Bond Ordinance No. 16-24 adopted on October 19, 2016 (the "Bond Ordinance").
  - [2] Amounts shown reflect other operating revenues including interest income on unrestricted cash balances as defined by the Bond Ordinance, general rents, royalties, public awareness program contributions made from the County's franchise collection haulers, revenues from the sale of ferrous and non-ferrous metals, and other miscellaneous revenues.
  - [3] Pursuant to the Bond Ordinance, Gross Revenues may not include transfers from the Rate Stabilization Fund in excess of twenty-five (25%) of amounts on deposit in the Rate Stabilization Fund at the beginning of such Bond Year. Amounts shown reflect deposits to the Revenue Fund from the Rate Stabilization Fund recognized in the determination of compliance with the rate covenant.

[4] The Cost of Operation and Maintenance does not include depreciation and amortization expenses which are considered as non-cash expenses and excluded pursuant to the Bond Ordinance. The Cost of Operation and Maintenance does not include payments made by the County from the Closure Fund pursuant to Section 9.08 of the Bond Ordinance and determined as follows:

- [5] Reflects when the Bond Service Requirement payments are made and not when amounts deposited annually to the Debt Service Fund. Such amounts are net of any interest earnings on deposits in the Debt Service Fund pursuant to the Bond Ordinance.
- [6] The Reserve Requirement was fully funded through a cash deposit from the proceeds of the Series 2016A and 2016B Bonds into the Debt Service Reserve Fund, therefore no deposits is required from System revenues.

- [8] During Fiscal Year 2021, there were no Subordinate Obligations Outstanding therefore no deposts to the Subordinated Debt Service Fund are required.
- [9] The Rate Covenant test are included in the Bond Ordinance. Test 1 and Test 2 are referred to as the "rate covenant test" and are as follows:

Test 1 = Gross Revenues (as calculated for the test and include deposits made to the Revenue Fund from Rate Stabilization Fund and the General Purpose Fund) in each Bond Year in an amount at least equal to the aggregate of i) 100% of the Cost of Operation and Maintenance; ii) 115% of the Bond Service Requirement; iii) the amount necessary to make the deposits to the Debt Service Reserve Fund and the Renewal and Replacement Fund: and iv) 100% of the payment to the Subordinated Debt Service Fund. Percent equates to amount Gross Revenues exceed the identified required deposits for calculation.

Test 2 = Gross Revenues (as calculated for the test which is without regard to any deposits made from the General Purpose Fund plus transfers from the Rate Stabilization Fund not to exceed 25% of the amounts on deposit in the fund at the beginning of the current Bond Year) shall at least equal the sum of: i) 100% of the Cost of Operation and Maintenance; and ii) 100% of the Bond Service Requirement. Percent equates to amount Gross

Revenues exceed the identified required deposits for calculation.

Amounts shown are presented for information purposes only and reflect the calculated debt service coverage exclusive of transfers to the Revenue Fund from the Rate Stabilization Fund.
